About the Port of Olympia

The southernmost deepwater port on Puget Sound, the Port of Olympia is Thurston County's partner in economic opportunity. The Port owns and operates a diversified international shipping terminal, an established niche facility that handles a range of breakbulk and project cargoes. The Port also owns and operates a strategically located regional airport, a vibrant 656-slip recreational marina and boat haulout/repair facility, and a thriving real estate division. A community port, it generates an estimated 2,600 jobs in Thurston County and indirectly over 5,000 jobs in Washington State.
